Hi Jeff,

In light of all the protest and rioting occurring through the State my department has change the staffing level. I would assume that other agencies are in the same situation. I want to confirm if the class is going forward next week?

Nancy

**Subject:** PMC 9 Class Reminder

Greeting PMC 9 Students,

This is a friendly reminder regarding your upcoming PMC class sessions:

Module B - Monday June 8, 2020 to Thursday June 11, 2020.

Module C – Monday June 22 to Thursday June 25, 2020

We appreciate all your patience as we navigate this situation related to COVID-19. All classes have been rescheduled to allow for only one class to be at the hotel at a time to allow for social distancing measures within the Doubletree meeting rooms. We will be sending out more information on the safety measures being put in place, both at the hotel and by CSULB staff.

If you cannot attend, nor feel comfortable attending the Police Management Course at this time, please let us know as soon as possible. You will need to get signed up for a 2020-2021 class through CSULB. The first class in that cycle of classes begins September 14, 2020.

The hotel staff should have transferred prior reservations for you and moved them to the new dates. Hopefully you received an email with the changed reservation dates. If you have already cancelled your reservation or did not hear from the hotel, please call the Dana Point DoubleTree Hotel at (949) 661-1100, and make your reservation for PMC Class 9 / Modules B & C.
Remember to tell the hotel you are with PMC, so you can be added to the room block and billed the appropriate amount for your room.

Thank you for your flexibility with the PMC schedule.

If you have any further questions, need assistance, or more information, please don't hesitate to contact CSULB (CHHS-CCJ@CSULB.EDU , 562-985-4940) or me (jmhjmc@cox.net , 949-275-1698) or Cathy (czgannon@yahoo.com , 714-328-1240). Email is the best method of contact at this time.

Thanks again for your patience with this. We look forward to seeing you in June. Stay safe and stay healthy!

Cathy Zurn and Jeff McLain, PMC Course Coordinators
